

## TRY FOR FIVE

**Seiler wants you to try new technology solutions for five days free!**

Take a trial/test run on new technology solutions for five days free on us. We extended this great offer for 2019! This offer is extended through May 31, 2019, so if you are looking to update your technology there is no better time to "try before you buy" the best technology solutions from Seiler Instrument. The following technology bundles are available under the Try for Five Special or contact your sales professional to select a rental solution that is right for your specific workflow!

### SURVEY GRADE BUNDLES:

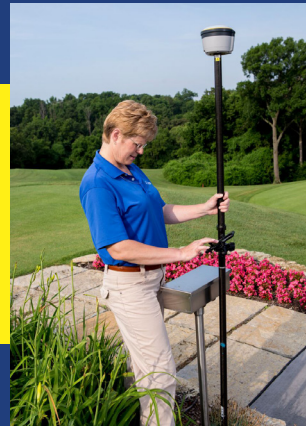

Trimble SX10 w/TSC7 (Robotic Total Station/Scanner and Data Collector)

Trimble S7 w/Vision/TSC7 (Robotic Total Station and Data Collector)

### MAPPING GRADE BUNDLES:

Trimble R2 sub foot rover w/TDC100 Data Collector

Trimble Geo 7x Decimeter w/RangeFinder

**Details: Contact your local Seiler Sales Professional for deliverability and other promotion offer details.** Signed rental agreement required. After one week, you can return the special try for five bundle or continue to rent at standard Seiler rental rates as agreed upon or convert to purchase at 30, 60 or 90 days same as cash financing or 12 months 0% lease (based on credit approval.) Other special financing terms are available. Seiler has always offered a "complete satisfaction" purchase policy – [See our terms and conditions page for details.](#) [www.seilergeo.com](http://www.seilergeo.com)
